## IDENTITY

**Registered Name: Deep Pillars Company**

**Business Name (Operating As): EASTERN PILLAR**

Deep Pillars is the officially registered company, established with a vision to provide high-quality services in the fields of Information and technology, general trading, and access control system works.

For branding, marketing, and operational purposes, our company proudly operates under the name **EASTERN PILLAR**. This business name reflects our strength, reliability, and commitment to building a solid foundation of trust with our clients and partners.

All our commercial activities, project executions, and client dealings are conducted under the **EASTERN PILLAR** name, while the legal and administrative entity remains Deep Pillars.

This strategic identity enables us to maintain a strong presence in the Saudi Arabian market and beyond, combining legal compliance with a powerful brand image.

*Building trust with strength and vision.*

# *Our* STORY

At Eastern Pillar , we believe that the foundation of every successful business begins with the right tools and resources. Founded with a vision to provide high-quality office supplies and solutions, we have spent years building a reputation based on trust, reliability, and exceptional service.

What began as a small, dedicated supplier has now grown into a trusted partner for businesses of all sizes. We understand that in today's fast-paced world, time is valuable, and having the right supplies at the right time is crucial. That's why we are committed to delivering top-tier office supplies that not only meet your needs but help you excel in your daily operations.

Welcome to Eastern Pillar where quality, trust, and success come together.

As we continue to expand and evolve, our core values of reliability, excellence, and service remain unwavering. With Eastern Pillar by your side, you can focus on what matters most – growing your business, knowing that we've got your office needs covered.

At Eastern Pillar, we are more than a supplier we are a partner in your growth, a foundation on which you can rely for the tools and resources that fuel productivity.

*Creating the perfect balance is key.*

# Meet OUR TEAM

## **Sardar Arshad Khan**

Chief Executive Officer

With a wealth of experience and strategic insight, he has been instrumental in positioning Deep Pillars Contracting as a leader in office supplies, technology solutions, and security systems.

## **Said Ali**

Finance Manager

With a deep understanding of financial planning, risk management, and resource optimization, he ensures the company's fiscal health and long-term sustainability.

## **Nafees Shareef**

Business Development Manager

With a proven track record in operations and management, he ensures that Deep Pillars Contracting delivers unparalleled quality, innovation, and customer satisfaction in all its services and products.

# CUSTOMER SATISFACTION

*Rating*

**The customer is at the heart of everything we do, and we have the data to prove it.**

At Eastern Pillar, customer satisfaction is at the heart of everything we do. We understand that the success of your business relies on having the right products, delivered on time, and at the best quality. That's why we strive to exceed expectations, not just meet them.

We aim to build lasting relationships by listening to your unique needs and offering personalized solutions that help your business thrive. Whether it's through timely deliveries, quality products, or responsive customer service, we are dedicated to ensuring your experience with us is seamless and stress-free.

We pride ourselves on our ability to anticipate your needs and consistently deliver products that make a difference in your daily operations. Our customer-first approach means that we are always available to support you—whether you have questions, need assistance, or require quick solutions.

At Eastern Pillar, your satisfaction isn't just a goal—it's a promise. We are committed to continuously improving our services to ensure that every interaction leaves you satisfied and confident in our ability to support your business.

Your success is our priority, and we are honored to be your trusted partner in supplies.

# Portable OFFICE

## Flexible Workspaces Anytime, Anywhere

Portable Office Solutions refer to temporary, ready-to-use office setups that can be easily transported, installed, and customized to meet specific business requirements. These solutions are ideal for businesses or projects requiring flexibility, mobility, or short-term workspace options.

Eastern Pillar's Portable Office Solutions provide businesses with the flexibility and efficiency they need to adapt to changing operational demands while maintaining a professional and productive environment.

**Flexible Purchase and Rental Options:** Choose from our sales or rental plans to suit your specific requirements and budget.

## Key Features of Portable Office Solutions:

- **Mobility:** Easily relocatable to different sites or locations.
- **Customizable Designs:** Configurable layouts to suit your needs, including meeting rooms, workstations, or storage spaces.
- **Fully Equipped:** Includes essential office furniture, computers, printers, and internet connectivity options.
- **Quick Setup:** Fast delivery and installation ensure minimal downtime.
- **Climate-Controlled Environments:** Ensures comfort and productivity in various weather conditions.
- **Cost-Effective Options:** Available for purchase or rental to match your budget and project duration.

## Ideal Applications:

- **Construction Sites:** On-site administrative offices.
- **Event Management:** Temporary workspaces for events and exhibitions.
- **Remote Work Locations:** Offices in off-grid or remote areas.
- **Disaster Recovery:** Immediate workspace setups during emergencies or office renovations.

# INFRASTRUCTURE

---

# INFRASTRUCTURE

## Building Reliable and Scalable IT Infrastructure

Eastern Pillar's involvement in IT infrastructure work means the company is equipped to plan, design, implement, and maintain complex IT systems for clients. Their IT services may include:

### 1. Network Design and Implementation

- **Structured Cabling:** Designing and installing structured cabling systems to support data and communication networks.
- **LAN/WAN Setup:** Configuring local and wide area networks for seamless connectivity across offices or remote locations.
- **Wi-Fi Network Deployment:** Enterprise-grade wireless networks for reliable and secure connectivity.

### 2. Server and Data Center Solutions

- **Server Installation and Management:** Deploying physical and virtual servers to host applications, databases, and services.
- **Data Center Setup:** Building or managing data centers, including power, cooling, and security systems.

### 3. Cybersecurity Services

- **Firewall and VPN Configuration:** Installing and managing security devices and virtual private networks for secure remote access.
- **Threat Detection and Response:** Implementing intrusion detection/prevention systems (IDS/IPS) and continuous monitoring.
- **Endpoint Protection:** Security for workstations, servers, and mobile devices.

### 4. Cloud Integration and Management

- **Cloud Migration:** Assisting clients in moving workloads to cloud platforms like AWS, Azure, or Google Cloud.
- **Hybrid Cloud Solutions:** Integrating on-premise systems with cloud services for greater flexibility.
- **Backup and Disaster Recovery:** Cloud-based and on-premises backup solutions to ensure data integrity and availability.

*Web & Graphics*  
**DESIGNING**

---

# Web DESIGNING

---

## Web Designing

Web design involves designing the layout, structure, and aesthetics of websites to ensure they are visually appealing, functional, and responsive.

- **UI Design (User Interface)**
  - Focuses on the layout and visual elements users interact with.
  - Includes buttons, navigation menus, typography, and images.
- **UX Design (User Experience)**
  - Emphasizes usability and user satisfaction.
  - Considers navigation, content hierarchy, and ease of use.
- **Responsive Design**
  - Ensures websites adapt to different screen sizes (desktop, tablet, mobile).

## Web Technologies

- Common tools: HTML, CSS, JavaScript, and frameworks like Bootstrap or Tailwind.
- Software: Adobe XD, Figma, Sketch.

## Deliverables:

- Wireframes and prototypes.
- Fully designed web pages with a focus on aesthetics and functionality.
- Optimized designs for SEO and loading speed.

# Graphics DESIGNING

---

## Graphics Designing

Graphics design focuses on creating visual content to communicate messages effectively using typography, color, imagery, and layout.

- **Branding**
  - Logo design, brand guidelines, and visual identity.
  - Consistency across digital and print materials.
- **Print Design**
  - Brochures, business cards, posters, and packaging.
- **Digital Graphics**
  - Social media posts, infographics, banners, and ads.
  - Icons, illustrations, and other digital assets.
- **Creative Tools**
  - Software: Adobe Photoshop, Illustrator, CorelDRAW, and Canva.
  - Techniques: Image manipulation, vector illustration, and typography.

### Deliverables:

- High-resolution designs for web and print.
- Scalable vector files for branding and marketing.
- Editable templates for social media and other platforms.

كمكلفين مسجلين في ضريبة القيمة المضافة، لا يجوز لكم تحصيل ضريبة القيمة المضافة من عملائكم قبل تاريخ نفاذ التسجيل في الضريبة. و في حال تبين غير ذلك ستقوم هيئة الزكاة والضريبة و الجمارك بتنفيذ الغرامات المستحقة

ملاحظة:

**Note:** As a VAT registered taxpayer, you are not allowed to collect VAT from your customers prior to the effective date of the tax registration. If otherwise approved, The ZAKAT, Tax and Customs Authority will impose the applicable penalties.
